Hi Tom,  
I want to discuss with you a TMDL data solicitation that OSAT will be publishing in the federal register in August and how best to make a public notice for it for the Region's state webpages. Let me know if you need a call-in. Thanks!

Below is the draft federal register notice - this language incorporates review and feedback from MDE, DOEE, and ORC. (See *Anacostia-Trash\_FRN\_draft\_07122018.docx*)

Below is the draft Region 3 Public Notice template for the TMDL data call. Almost all the text from the federal register notice is pasted there as a start and hopefully we can find the best path forward. (See *AnacostiaTrash\_PublicNotice\_Data\_07242018.docx*)
